

# Family Programming Prevention Professionals: **Start by Connecting.** Download and Use Our **FREE** Positive Parenting Messaging Video PSA's Today!

**Start Making the Difference** by connecting parents and families via the single-most engaging media format available.

- All videos can be downloaded instantly and used as-is (unbranded versions), or branded by you with your logo and contact information. (Note: If a local media provider is assisting you with this, there are things you are not permitted to alter. View the guidelines [here.](#))
- Any of the PSAs can be ordered with fully customized branding from our media partners for additional cost.
- All four English PSAs (plus one Spanish language version) are available in the three sizes most common for digital video playing. (16:9, 9:16, 1:1) Any PSA can be set up for any other size or platform format desired: Facebook, Instagram, X, SnapChat, TikTok, Hulu, Local Broadcast, Streaming, Closed Circuit school or office networks etc.
- All available PSAs showcase diversity among family types and PSA #5 is available in full Spanish language versions.

"How do I become more engaged with my kids?"
